

2022 VSCDA Grattan Summer Party Invitation

The 36th Grattan Vintage Grand Prix will be a race weekend to remember. This year we are featuring the great people that make it all happen on the track. The Corner/Grid/F&C/T&S/Starter/Black Flag/Chief WORKERS. We celebrate their hard work, and great energy both on and off the track.

The Sprite Midget Race Series is celebrating the 11th year since its inception and a record number of Spridgets are expected. The Trams Am B Sedan series will be back to take on the multidimensional circuit. Formula V's will bring a full field and provide us with close, safe, and fast racing action.

Our weekend of racing will provide special opportunities to benefit the Disabled American Veterans, where a small donation will get crew, guest, and kids a ride in a race car or sports car to experience this magnificent roller coaster track on our Rides for Charity event. For our drivers, we will once again host an Enduro race to also support the Disabled American Veterans charity.

Join us and see why this is the "Must attend" event of the summer. You simply cannot pass up the value in the amount of track time, challenging wheel-to-wheel racing, coupled with the paddock friendships and great food. We hope to see you there!
