

**ARIENS ART ON WHEELS VINTAGE WEEKEND FEATURING VSCDA
CELEBRATING THE 60TH ANNIVERSARY OF FORMULA VEE
SEPTEMBER 15-17, 2023
ROAD AMERICA
N7390 STATE HWY 67
PLYMOUTH, WI 53073**

Please join competitors from across the globe as VSCDA celebrates 37 years of racing at Road America. This year VSCDA is proud to host the 60th-Anniversary Reunion and celebration of Formula Vee. For the first time, this world-class reunion will welcome both vintage and new-era Formula Vees to America's National Park of Speed. Once again, our racers will have unprecedented track time for every VSCDA Class. This year's specialty races will include an all-Formula Vee race with a fantastic photo shoot. There is also a Sunday bonus race for the Formula B Continental Cars.

Once again, On Thursday, we will have our customer-friendly express Tech for drivers with an annual VSCDA Tech.

Friday is a practice day, with many groups getting almost 2 hours of track time. Friday includes our traditional enduro for all closed wheel groups benefitting Disabled American Veterans. The celebration continues after racing with a Welcome Racers Reception at the RA Center. The reception includes hors d'oeuvres and beverages.

TICKETS ARE REQUIRED! Remember to SELECT your 3 free tickets when registering. Please purchase any additional tickets needed when registering.

Saturday morning kicks off with qualifying sessions for racers. Our Concours de Elegance is a prestigious event showcasing some of the most beautiful and rare automobiles—now held annually at the track. Back by popular demand, Coffee and Canvas featuring Bottle and Bottega by Painting with a Twist will provide you with a mid-morning delight. VSCDA will continue to support and contribute to Women in Motorsports NA with our lunchtime touring and charity rides with women drivers. Have your family and friends take a lap around the track for a \$40 donation to WIMNA. You or your guests will want to participate in the afternoon Korneli Road Course Reenactment. This is a police-escorted tour of the original Elkhart Lake 1950-1952 public road race course. Race cars, street cars, and motorcycles are invited. The original Elkhart Lake street race course and the equivalent at Watkins Glen are the only street race courses on the national register of historic places. VSCDA has been doing the reenactment for 30 years and often attracts 100 cars. This year the reenactment will finish at Road America, and the cars will park by the Concours d' Elegance in the upper paddock.

Our feature Formula Vee race will start the afternoon with a fantastic photo shoot. Sprint races fill out the day and lead us to an “open for all” reception showing some of the Formula Vee's that raced with us before our dinner. The Saturday Evening Banquet will be catered by Millhome Supper Club and held in the Tufte Center (below the Paddock shop). To celebrate the 60th anniversary of the Formula Vee, we will honor our own Garrett VanCamp,

the longest racing Formula Vee Driver. Click the link below to read the article, which starts on page 43. <https://www.flipsnack.com/victorylane/victory-lane-vol-38-issue-4-april-2023/full-view.html>. For entertainment we are honored to have the Formula Vee panel of drivers and experts including Phill Cull, Butch Deer, and others. The day's winning Formula Vee Driver will be awarded the DRE trophy. A prestigious traveling award that is annually awarded to a winning Formula Vee driver. TICKETS ARE REQUIRED! Please purchase tickets when registering (no Saturday dinner tickets are included in the race entry). Seating is limited, so sign up early.

On Sunday the 3 special Sunday Cup races will continue to include open-wheel groups. The grids are based on the original Cup 1950-1952 races held on the roads of Elkhart Lake. For details see the schedule tab. In addition to added track time, the Cup races provide the opportunity to race against cars from different groups. The Formula B Continental race finishes off our weekend of racing.

Please plan to join us again at the race weekend event of the year for us all.
