Spring Brake Driver's School & Races
Driver's School – May 2 - 3 Races – May 4 - 5

Dear VSCDA Driver's School Participant:

It's time to start getting "rev'd up" about VSCDA's first event of the year – Spring Brake Driver's School & Races.

Your instructor will contact you prior to the school to introduce himself, answer your questions and discuss your concerns. Feel free to reach out to me as well at (330) 495-8489 or charlie@charles-hall.com

The school starts with **MANDATORY** classroom sessions on Thursday, May 3 at 1:00 PM sharp, hopefully completing by 7:30 pm for a track walk, weather permitting. Wear comfortable shoes, a warm jacket, gloves and hat. It is Michigan after all.

A simple dinner will be served during the classroom portion of the evening. We will try to have you on your way by 8:30 pm to get a good night's rest before returning very early Friday morning.

On Friday, the school moves on track for a very intense and full day. Come rested, prepared and excited for a day you won't forget! Review the below schedule for an idea of how many sessions and lessons are in a single day. After school, Friday night dinner is included with your school entry, when we will celebrate with graduation certificates being awarded.

Then, the race weekend, open to all new driver graduates as well as the veterans will be held Saturday and Sunday. We will continue with the past traditions of lots of track time, good food, and camaraderie. Our schedule has us finishing the races by about 3:00 pm on Sunday afternoon, allowing for a reasonable start home.

It is critical for students to attend all of the classroom sessions on Thursday afternoon/evening. Also, you must complete the on track sessions on Friday.

We highly recommend that you bring a helper to get your car and gear teched before the Thursday classroom starts, otherwise you will only have 7:00 am to 8:00 am Friday morning to get your car through tech. Tell tech you are in the school for priority treatment!

Prepare for one of life's great adventures!

Charles D. Hall III
Chief Instructor VSCDA
