

2025 VSCDA Vintage Grand Prix AuGrattan XXXIX

(August 15-17, 2025)

2025 VSCDA Grattan Summer Party Invitation:

The 39th Grattan Vintage Grand Prix will be a race weekend to remember. This year we are featuring the growing Formula Ford East/West Challenge with Formula 1 style knockout qualifying sessions. It promises to be an exciting and entertaining race.

The Sprite Midget Race Series is celebrating its 14th year. The participation level and fun keep growing.

The Trans Am B Sedan Series will be back and feature in the day Datsun, BMW and Alfa rivalry.

Formula Vees will bring a full field and provide us with close, safe, and fast racing action.

Our weekend of racing will provide special opportunities to benefit Disabled American Veterans. A small donation (minimum \$20 requested) will get crew, guest, and kids a ride in a race car or sports car to experience this magnificent roller coaster track during our Rides for Charity event. For our drivers, we will once again host a closed wheel Enduro race supporting the Disabled American Veterans charity.

Join us and see why this is the “must attend” event of the summer. You simply cannot pass up the value provided by the substantial amount of track time, challenging wheel-to-wheel racing, friendship and great food. We look forward to seeing you on the track.
