

VSCDA
Spring Brake Driver's School & Races
Drivers School: May 14th – 15th
Races: May 16th – 17th

Dear VSCDA Driver's School Participant:

It's time to start getting "rev'd up" about VSCDA's first event of the year – Spring Brake Driver's School & Races!

Your instructor will reach out before the school to introduce themselves and answer any questions. You're also welcome to contact me anytime at **970-759-9183** or **ellie@griffinspeedworks.com**.

The school begins with a **MANDATORY classroom session on Thursday, May 14th from 1:00 PM to ~8:30pm**. This includes a track walk (weather permitting) so please dress for the conditions - comfortable shoes, a warm jacket, gloves and hat. A simple dinner will be served during the classroom portion of the evening. We will try to have you on your way by 8:30pm to get a good night's rest.

Friday is a full and exciting **on track day** so come rested and ready. We'll **start with a driver's meeting at the bridge** to provide instruction for the day. We'll share the detailed schedule closer to the event. Friday evening dinner is included with your school entry, and we will celebrate our graduates by awarding driving privileges.

The race weekend follows on Saturday and Sunday, open to all new driver graduates. Expect plenty of track time, great food and the camaraderie VSCDA is known for. Our schedule has us finishing the races by **around 3:00 pm on Sunday afternoon**, allowing for a reasonable start home.

Please note that **attendance at Thursday's Classroom session and all Friday on-track sessions is required**. We strongly recommend that you bring a helper to get your car and gear through tech before Thursday's classroom session. Otherwise, tech will be available Friday morning from 7:00 am to 8:00am. Let tech know you are with the school for priority service!

Get ready for one of life's great adventures – we can't wait to see you at the track!
