This first video is a “must see” for all new students and those new to Gingerman. Second lap with comments is very good.—Charlie Hall

0:41 - first lap cold tires – Rick Gurolnick spins in front of me

2nd lap in that race I do a track description – may be helpful for the school

5:08 – acknowledge yellow flag with a wave

Blackhawk Farms Oct 13 2019 – heat race 1

<https://youtu.be/EBbyJii60HM>

2:25 – race start – Scott Fohrman leaves me room on outside of turn 1, eventually I get by in turn 3. We both leave each other room in the process.

3:35 – I have a run at a spridget but am not going to go side by side through the kink before 7 so lift.

3:58 – I get a run but can't get far enough alongside to safely pass in turn 1 so I back off

Scott Forhman came from a long way back to fill my rear view – he's faster now.

8:22 – Scott passes me going into turn 1 – notice that I can see his car early in the exit of the turn which means I saw him even earlier in the flesh.

10:36 – watch Scott F pass a lapper safely in turn 6. Note how far by he is before the slower car has to turn in. Lapper has good situational awareness and lets 3 cars by nicely.

16:25 – Noel Korey points me by going into turn 6

Aug Grattan Aug 17 2019 Sat first heat

4:09 waving yellow turn 2

5:41 acknowledge yellow at turn 1, emergency equipment on track after turn 2

7:54 – lead pack catches back of the field in the twisty bits, we all carefully work our way through

10:05 – I see John Salisbury ducking inside for the hairpin so leave him a lane

11:12 – I catch a much slower car in an unsafe passing spot, signal to John behind me that I'm whoahing up.

19:01 – pass gone wrong – I think the lapper is leaving me a lane, but he turns in on me – turn 3

Aug Grattan Aug 18 2018 Sat race 2

<https://youtu.be/SFQUYNxwIMI>

2:44 - I spin on some dirt kicked up by the car in front of me – wait for corner worker to wave me back onto the track

6:45 – I pass a Healey 3000 and there's some descriptive text to go with it (the text is a little delayed)

14:36 – waving yellow

19:42 – I do NOT pass a car under yellow

Road America Sept 15, 2018 Saturday group 2

<https://youtu.be/vUVXNjsEARo>

7:45 - sequence where flags tell me there's a slow vehicle (wrecker) on track. I don't slow down much, not sure how great an example this is

13:20 – Rick Gurolnick is drafting up behind me – I point him by to the left

14:36 – kink is yellow for crash and emergency vehicles – we all slow down
