The banquet at the Road America Tufte Center will allow everyone to enjoy the many personal stories shared by all prominent women of motorsports.

The Cup races will continue and will now accommodate the open-wheel groups. These races have become very popular, and 2022 will be the 13th year for the "Cup" races. Kimberly, Sheldon, and Elkhart Lake Cup races are based on the original "Cup" races held from 1950-to 1952 on the roads around Elkhart Lake. This allows drivers to race against cars they usually do not. It also guarantees close racing.

This will be the police escorted tour of the original public road racecourse for race and streetcars. These roads are listed as a national historical monuments. Along with Watkins Glen, these are the only two sets of roads listed as such. VSCDA has been doing the re-enactment tour for thirty years, and it can attract up to one hundred cars. The tour will finish at Road America and be parked around to enjoy our Concourse d' Elegance this year. The participants and the spectators thoroughly enjoy this event.

A newly added event for your pleasure is Canvas and Coffee on Saturday morning (10:00 am) for anyone who needs a break from seat time or a break from the pits.
