

VSCDA Elkhart Lake Vintage Festival XXXIII®

September 13 – 16, 2018

Road America, N7390 State Hwy 67, Plymouth, WI 53073

Sprite 60th REUNION

This special 60th Sprite Anniversary is expected to be the largest gathering of street and combined vintage race cars in the United States. Why can we say that? Well in the past 6 years VSCDA's Sprite Midget Series has consistently had 15 or more Spridgets racing wheel to wheel with up to 23 Spridgets at one event. Knowing this is a special event we think 50 plus Spridgets racing in addition to all of those street Spridgets that support Donald and Geoffrey Healey's vision of creating a low price good handling sports car is not understated! We already have input from all US coasts and Canada wanting to attend this event. This event is more than a Vintage Race or Car Show. In fact it is both, including a Concours in Historic Elkhart Lake where Sports Car Racing started. This weekend is very busy. Racing Spridgets will have many options covered that you can attend through your VSCDA race registration. Street Spridgets need to contact Stan Mason by August 1, to be included in the special Spridget Paddock Parking across from the Sprite/Midget Racing Paddock and also to be included in the Parade Lap for street cars prior to the 60th Sprite Reunion Race. You will also have several other options on the form below. The following is a highlight of events for this weekend with a preliminary agenda, Street Spridget Forms and an abbreviated Map of Events.

- Special Historic Sprites and Midgets with international racing history; Saturday evening, displayed at the GOG Concours (Gather on the Green) on the back lawn of the Osthoff with other Special Street Spridgets.
- Road America Spridget Racing Paddock Compound with special registered Street Spridgets allowed in the exclusive Spridget paddock directly across from the Spridget race paddock.
- Race Spridget car show on Friday night by popular vote with past SCCA racer recognition, in addition to the Cape of Good Hope Portable bar toasting prior to the race car drivers and crew at "Welcome to the ELVF" party & dinner.
- Street Spridget Car Show Saturday morning by popular vote at the exclusive Spridget paddock.
- Race and Street Spridgets can also join in the Historic Elkhart Lake "Road Course Re-Enactment" on Saturday. (Free to registered race cars) additional cost for street cars. Be part of US sports car racing's beginning. The tour starts at Road America and ends on Lake Street in downtown Elkhart Lake, near the iconic Siebkens Bar where many a race car driver and crew have enjoyed a pint.
- 60th Sprite banquet on Saturday night, with Road & Track Magazine's Peter Egan who has entertained us with his Sports Car column for years and started sports car racing in a Bug Eye Sprite.
- 60th Sprite/Midget feature race with a street Spridget parade lap prior to the feature race.
- Track touring (during the lunch break on Saturday or Sunday) is free to registered race cars (must have a signed touring waiver for other drivers or passengers) Street cars must pay per instructions below.
- Race Spridgets will be in VSCDA's Group 2 with the exception of the Sunday Cup races which will be based on your lap times only. Most of us will qualify for the Kimberly Cup, over 3 minute ET, with the faster Spridgets in the Sheldon Cup, under 3 minutes ET. Make sure you sign up for these races on your registration form. If you estimate your time wrong, go to Tech and speak to Jack Woehrle before 4:30 on Saturday and inform him of your correct time so they can put you in the correct race. The grid for cup races will be ready on Sunday morning.
- The special Street Reunion package has reduced pricing if you fill out form, sign waiver and forward with your check to Stan Mason by August 1, 2018.

- Race Registration covers many of these events with the exception of “Gather on the Green” which requires separate registration and acceptance.
- Racers are encouraged to bring extra additional race gas with 8 race sessions and the Re-enactment.
- The following document below highlight:
 - Street/Race split agenda
 - Street Package (choose options, total, sign, forward form and check by August 1, 2018
 - Touring form and instructions for both race and street Spridgets. Sign and return by August 1, 2018
 - Abbreviated map to highlight events and locations.
- Race registration and GOG registration must be filled out and provided to VSCDA (see VSCDA.org)
- Lodging – Elkhart Lake area lodging is more expensive on this high demand weekend. We have negotiated a reduced rate for the first 20 rooms at Blue Harbor Resort in Sheboygan. (Approximately 20 miles away.) Phone 920-452-2900 for Thursday (9/13/18) Friday (9/14/18) and Saturday (9/15/18) night on the shores of Lake Michigan for \$119 per night if all 3 nights are selected. Please use “Sprite 60 Group with code # 7AW8FT” when making your reservation. This discount does not include usage of their water park. Please make your reservation early to guarantee lodging. This is an exceptional price for a high quality resort.
- Road America also has their Lester covered car ports available near the Sprite Paddock Compound for an additional cost. Contact Road America at 1-800-365-7223 and ask for Deborah.
