

The best value in wheel to wheel racing and VSCDA's Green Flag of Summer is ready to fly June 14-16, 2019 at the 27th Annual Blackhawk Vintage Classic at Blackhawk Farms raceway in South Beloit, Illinois. VSCDA's typical massive amount of track time includes the Porasik & Yde Wealth Management Enduro benefitting the Disabled American Veterans organization, a Formula Ford Birthday Race, a spec Renault/Spec Ford welcome race, the Trans Am B Sedan series, the Sprite Midget race series, the reverse handicap Dad's Day Scramble and some of the very best Vintage Formula Vee racing on the planet. The VSCDA Group 1 cars are always a treat on and off the track, with Bugattis, Indy racers, pre-war MGs and everything in between up close and personal, Blackhawk Farms style.

Blackhawk Farms is a true world class facility, and with VSCDA's welcome pizza/ice cream social on Friday and Saturday dinner by Rockford IL's 4 star restaurant Franchesco's, you'll never want to leave the track.
