The 29th Annual Elkhart Lake Road Course Re-enactment Tour Saturday – Sept. 19, 2020 2:45 pm track departure

Step back in time as vintage cars line the same streets that hosted not only the races but a concours, street dancing and was the final check point for the 1951 & 1952 Monte Carlo Rallies which started on all four corners of the USA! Enjoy dinner in one of the same establishments that hosted the drivers and race crowds estimated at 130,000!

Join us for this 29th annual Elkhart Lake Road Course Re-enactment that takes you on the same course that Briggs Cunningham, Phil Hill, and Carroll Shelby raced during the early 1950's. Tour in your RACE or **STREETCAR** as we take the "Wacker Wend" over to "Schoolhouse Straight", round "Kimberly Korner" and through "Dicken's Ditch" and into the town of Elkhart Lake. Merchants and spectators will be waiting to greet you as you cross the old START/FINISH line in the center of town. Then join us for a vintage car show. Space is limited, sign up early!
