

2021 VSCDA Grattan Summer Party Invitation

The 35th Grattan Vintage Grand Prix will be a race weekend to remember. This year we are Featuring All V8 Powered Production Cars in conjunction with the inaugural V8 Short Track Challenge Series. The Sprite Midget Race Series is celebrating the 10th year since its inception and a record number of Spridgets are expected. For the 2nd year the S2000's will be at Grattan as part of their schedule to give us a great show. The Trams Am B Sedan series will be back to take on the multidimensional circuit. Formula V's will bring a full field and provide us with close, safe, and fast racing action.

After a year off due to the pandemic we will again host the 2nd race of the 3 race Great Lakes Vintage Challenge in conjunction with Waterford Hills Vintage Road Races to be held July 24-25 and Put In Bay Road Race Race Reunion held September 21-24. For more information about either event go to www.waterfordhills.com and www.pibroadrace.com respectively.

Our weekend of racing will provide special opportunities to benefit the Disabled American Veterans, where a small donation will get crew, guest, and kids a ride in a race car or sports car to experience this magnificent roller coaster track on our Rides for Charity event. For our drivers, we will once again host an Enduro race to also support the Disabled American Veterans charity, sponsored by Jeff Porasik/Raymond James Advisors.

Join us and see why this is the "Must attend" event of the summer. You simply cannot pass up the value in the amount of track time, challenging wheel-to-wheel racing, coupled with the paddock friendships and food. We hope to see you there!
