

Blackhawktoberfest Turns 5!

SUMMARY

VSCDA's Blackhawktoberfest at beautiful Blackhawk Farms Raceway in South Beloit, Illinois will be held on October 16th and 17th, 2021. In addition to a full weekend of wheel to wheel racing, there are also several apple orchards nearby for family or friends who may prefer apple picking over Castor Bean Oil.

Blackhawk Farms is stunningly beautiful in the Fall, and our season finale is just the thing to shorten the offseason blues and put the exclamation point on the 2021 racing season. Please join us!

VSCDA is a club created for the enjoyment of vintage motor sport. As such you must be a member to compete. We believe one event will convince you membership is an investment worth making. You will have an opportunity to apply for membership within this race registration.

You must have a current Physician's Medical on file with VSCDA before the event, or show a current Competition License in lieu of medical at the track. You must also have an up to date Car Prep Sheet on file or submit one to the VSCDA office. Links to both the Physicians Medical and the Car Prep Sheet are included in this registration.
