VSCDA's Blackhawk Octoberfest Touring Instructions

Drive the Blackhawk Raceway in your vintage or modern car in company with similar vehicles (NO SUVs, Trucks or Vans). Entry fee is \$30 per day, one passenger is allowed. Registration must be completed at least 1 hour prior to the Touring session. Seat belts and a valid U.S. issued driver's license are required. See the event schedule for exact times. A pace car and starter will be used to control Touring sessions. You may not pass the pace car unless waved or pointed by the driver. **Top speed is 60 M.P.H.**

Pace Car. No passing is allowed except on the straights and ONLY if the driver being overtaken indicates on which side they wish to be passed.

Passengers in Touring Cars - No child may be held as a "babe in arms" nor be allowed to ride in a removable child's car seat during Touring. The child must be large enough to see over the dashboard or out the side of a Touring car and be safely secured by the Touring car's seat belts (or competition harness if in a race car). If a child is to tour in a racecar, all of the above must be met and, in addition, the child should be wearing ear protection; for open race cars a **proper fitting**, full-face shield helmet. Exchanging passengers is only allowed in pit lane; stay to the extreme right.

Registration – All touring entries must register at VSCDA Registration; complete an Entry form, Waiver and pay the fee. Drivers in racecars registered for Blackhawk Octoberfest are automatically eligible for Touring; no Entry or fee required.

Touring Instructions - listen for the track announcer regarding staging/grid prior to the Touring sessions. Touring sessions will stage from the false grid south of the straightaway. **All drivers must attend the Mandatory Touring Driver's Meeting.** See the schedule for time and location. Touring cars will enter the racetrack from the false grid upon instructions from Chief Steward and will exit the track at Pit Exit at Turn 9. Touring ends when the checkered flag is displayed at the bridge. All cars will then proceed at a MUCH reduced speed, in single file to exit.

Guidelines for Touring Safety

VSCDA is not responsible for the mechanical or electrical condition of your vehicle. By signing the entry form you acknowledge that it is 100% your responsibility that your vehicle is capable of operating safely at normal interstate highway speeds. We recommend you check the following:

At a minimum the following items should be attended to **prior to participating in a touring session**:

1. Hub caps must be removed
2. Lug nuts must be tight
3. Brake lights must be operational
4. Brake fluid levels should be adequate
5. Engine, hoses and seat belts inspected
6. Soft tops totally secured (up or down)
7. All body panels secured
8. Do not over fill gas tank
