

2025 CLASSIFICATION INFORMATION FOR NEWER FORMULA VEES TO 1997

Car Classes	V Vintage prior to Jan 1st 1976	V Modern (1976-1997)
Car weight	825# wo/driver	1025# w/driver

**All Vintage Vees will be required to continue to follow current Monoposto rules.
Fans and working generators are required.**

**VEE MODERN will need to comply with SCCA GCR rules that would apply to their
build date.**

ALL VEES will run on treaded tires with 4j or 4.5j vintage rims and treaded tires.

ALL VEES will have drum brakes.

**Body and suspension must match original type and design for the year the car
was built. You may be required to present documentation.**

**(1998-Present) will be allowed on a case by case basis with proper Racecar
Preparation Form and with the above rules to be followed.**

“MAGGIE BARS” will continue to be highly recommended.
